

Clase de Español – At Home Lessons for April 2020

I continue to pray that your family and hope you are doing well through this difficult time. I miss your child's smiling face so much and hope to see him/her soon!

- Spanish class is normally held for 30 minutes on Tuesdays.
- I'm including a few short lessons to review with your child as well as Youtube videos that we have enjoyed in class.
- This is optional since Spanish is a bonus class! So if you are overwhelmed with other work, please don't let it be a burden. I just wanted to provide a few activities if your child enjoys Spanish!
- If you don't have access to a printer, please don't worry about the written portions, just do it orally or do the parts you can!
- If you have any questions, feel free to email me at mknight@northchristianschool.org.

Blessings, Señora Knight
